BRADFORD SOCIETY MEMBER INFORMATION

As the first children's hospital in the United States south of St. Louis, the Bradford Memorial Hospital for babies was born out of a love for children and a vision for the future. The generosity of one couple, Mr. and Mrs. Thomas L. Bradford Sr., began a legacy of giving that continues to this day in the hearts and lives of those who give of their resources to support this institution, now known as the Children's Health System of Texas (including Children's Medical Center Dallas, Children's Medical Center Legacy, and Children's Research Institute at UT Southwestern).

The Bradford Society is comprised of individuals who have named Children's in their estate plans. As a member of the Bradford Society, you are requested by Children's Medical Center Foundation to provide as much of the following information for the files as you feel comfortable in sharing, so that we may better serve you.
